

### Central Great Lakes Chapter

January 20, 2022

Dear Faculty Member/Advisor:

As in years past, the Central Great Lakes Chapter of the National Academy of Television Arts & Sciences (*the Emmy® Awards people*) will this year award a \$2,500 scholarship to a rising college junior or senior in the 2022-2023 academic year. The applicant must intend to pursue a career in television, or a television-related field.

#### **NATAS Central Great Lakes Chapter Scholarship**

The scholarship is funded directly by our NATAS chapter members, and is offered to a student who attends school anywhere in the membership area of our organization which includes the television markets of Cleveland, Akron, Canton, Youngstown, Bowling Green, Toledo, Lima, and Mansfield, Ohio; Erie, Pennsylvania; Indianapolis, Fort Wayne, Bloomington, Lafayette and Muncie, Indiana. Again - students must be attending college in our region to qualify, but can hail from any state.

#### **Applications**

The application process for the scholarship must be completed online, through our website: [www.GreatLakesEmmys.tv](http://www.GreatLakesEmmys.tv). Simply hover over the “Students” tab at the top right of the page, and select “Scholarships” from the drop-down menu. Students may then complete the online application.

#### **Online applications must be completed by May 1, 2022.**

Applications will be screened by our scholarship committee, and finalists will be notified in May. The finalists will be interviewed by members of the NATAS Lower Great Lakes Chapter scholarship selection committee.

Scholarship recipients will receive recognition during the 53rd Annual NATAS Central Great Lakes Chapter Regional Emmy® Awards to be held in June of 2022.

Through our scholarship program, the Central Great Lakes Chapter of the National Academy of Television Arts & Sciences is investing in the future of the television industry and promoting excellence in television, the mission of our organization.
